Aban Keot

has successfully completed the online Specialization

Bank Credit Analysis & Portfolio Management

In this Specialization, learners developed practical expertise in banking credit analysis, loan appraisal, and credit risk management. They gained hands-on skills in evaluating financial statements, assessing borrower creditworthiness, and applying key lending metrics such as DSCR and working capital analysis. The program also covered credit portfolio management, regulatory compliance, NPA classification, and recovery frameworks. Learners applied their knowledge through real-world projects, enabling them to make informed, risk-aware lending and portfolio management decisions in professional banking environments.

Lead Banking & Credit
Risk Instructor

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
