

ABAN KEOT

MBA Finance Graduate | Financial Modelling & Valuation | Financial Statement Analysis | Equity & Credit Research

Guwahati, Assam, India | 9101630124 | abankeot77@gmail.com | [Linkedin](#) | [Project Portfolio](#)

SUMMARY

MBA Finance graduate with hands-on experience in financial modelling, relative valuation, and FP&A — including budgeting, variance analysis, and cash flow monitoring — built through independent equity and banking research projects alongside applied finance operations experience. Skilled in three-statement modelling, forecasting, and P/E multiple-based valuation, with practical grounding in financial statement analysis, RBI regulatory frameworks, and credit risk drivers. Also brings primary research experience — designing surveys, collecting and analyzing field data, and delivering findings to business stakeholders. Seeking to apply valuation, FP&A, and modelling skills in a Portfolio Valuation, FP&A, Equity Research, or Financial Analyst role.

CORE SKILLS

- **Financial Analysis:** Financial Statement Analysis • Credit Analysis & Credit Risk Assessment • Equity & Credit Research • Ratio Analysis (FOIR, Current Ratio, Quick Ratio) • Relative Valuation (P/E Multiple) • Industry & Macro-Economic Analysis • NPA & Exposure Monitoring
- **Financial Modelling:** Three-Statement Modelling • Relative Valuation (Target P/E, Total Return Approach) • Forecasting • Scenario & Variance Analysis
- **FP&A & Reporting:** Budgeting & Variance Analysis • Cash Flow Monitoring • MIS & Management Reporting • Pricing Analysis • Expense & Vendor Tracking
- **Banking & Compliance:** Banking Ratio Analysis • RBI Regulatory Framework • Loan Lifecycle & Post-Disbursement Monitoring • Capital Markets Fundamentals
- **Research & Analytics:** Primary Survey Design • Structured Questionnaires • Percentage & Mean-Score Analysis • Business Recommendations
- **Tools:** Advanced Excel (XLOOKUP, INDEX-MATCH, Pivot Tables, SUMIFS) • SQL (basic) • Screener.in • Tickertape • Yahoo Finance • PowerPoint • Word

PROJECTS — EQUITY RESEARCH, FINANCIAL MODELLING, FINANCIAL & INDUSTRY ANALYSIS

ITC Limited — Equity Research, DCF & Valuation (Independent Project)

- Conducted industry and business analysis covering competitive positioning, growth drivers, and key business risks to assess financial strength.
- Independently built an integrated 5-year financial model from historical P&L, balance sheet, and cash flow statements, forecasting revenue, EBITDA, margins, earnings, and working capital under multiple operating assumptions.
- Performed relative valuation using a target P/E multiple applied to forward EPS, deriving a target price and issuing a SELL recommendation based on a total expected return approach (price return plus dividend yield).

State Bank of India — Banking Financial Model & Valuation (Independent Project)

- Built a five-year banking financial model incorporating loan growth, net interest margin, cost-to-income ratio, and asset-quality assumptions (GNPA, credit cost) grounded in RBI regulatory trends and sector guidance.
- Applied a sector-typical P/E multiple, benchmarked to prevailing PSU bank valuation ranges, to forward EPS to derive a target price and issue a BUY recommendation based on an 81% total expected return.

HAL — Sector & Financial Analysis (Independent Project)

- Conducted defense sector research covering order book analysis, revenue growth drivers, competitive positioning, and key investment risks.

PROFESSIONAL EXPERIENCE

Assistant Finance Officer (FP&A & Operations) — XOMOY Innovatives Pvt Ltd (Remote) Mar 2023 – Jan 2025

- Prepared monthly MIS reports, financial summaries, and operational dashboards to support management decision-making and business performance tracking.
- Assisted in budgeting, expense planning, and variance analysis for business operations, marketing campaigns, and live events based on historical performance and business objectives.
- Developed Excel-based financial reports and pricing analyses using Pivot Tables, XLOOKUP, SUMIFS, and INDEX-MATCH to support business decisions.

- Supported cost analysis on music licensing and artist royalty expenses, and tracked ticket sales and revenue data, for the company's Baahi music streaming and event ticketing platforms.

Operations & MIS Executive — *HDFC Home Loan Agency* Jul 2022 – Jan 2023

- Managed post-disbursement monitoring for 50+ home loan cases weekly, leading a team of 5 field executives to track inspections and ensure timely completion.
- Reviewed construction progress, field inspection reports, and property documents before submitting verification reports to the HDFC portal, supporting staged loan disbursement decisions.
- Prepared daily MIS and monthly billing reports, enabling consistent first-day-of-month bill submission.

Trade Marketing & Distribution — Summer Intern — *ITC Limited (FMCG Division)* Jul 2025 – Aug 2025

- Tracked daily secondary sales trends across 16 retail outlets, flagging distribution gaps and stock-availability issues to support faster inventory decisions.
- Designed and conducted a 21-retailer primary research study on technology adoption across ITC's distribution network (structured questionnaire; percentage and mean-score analysis); findings and recommendations presented to ITC branch management.

EDUCATION

- **MBA (Finance):** University of Science & Technology Meghalaya — Jun 2024 – Jun 2026
- Dissertation: *"Retailers' Perspective on Use of Technology for Growth of Business — A Study with ITC Limited, Guwahati, Assam."*
- **B.Com:** Darrang College, Gauhati University — 2017 – 2020
- **PGDCA:** Bidya Sarathi Educational Institute — 2021 – 2022

CERTIFICATIONS

- Bank Credit Analysis and Portfolio Management — EDUCBA (Coursera)
- DCF Valuation Modeling Fundamentals — Corporate Finance Institute (Course Completed)
- GST Certification — IIM Bangalore (SWAYAM / NTA), Score: 84.2%
- JPMorgan Chase Commercial Banking Virtual Experience Program — Forage

LEADERSHIP & EXTRACURRICULAR

- **Event Manager, Baahi Music Fest 2025:** Managed a two-day concert featuring 8 artists, including Zubeen Garg, with 8,000+ attendees.
